

New Aerospace Education Section

Written by Maj. Jeffrey Morris

Sunday, 18 January 2009 04:50 - Last Updated Monday, 19 January 2009 11:22

There is now an AE section in the Online Documents>Wing Documents>Aerospace Education area or on the main menu under Aerospace Education>AE Documents.

The 2009 AE Plan of Action has been posted, some final reporting documents from 2008 and the template used by the Wing DAE for Squadron SAV visits.

More to come in the future!

MAJ Morris
